

## Description

Easyroll 50mm F1 Series Castor 50kg is designed for precise movement and reliable performance in commercial and trade applications. The castor features a robust nylon construction complemented by a steel plain bearing for smooth rolling and durability. Its side brake system and threaded stem fitting offer controlled operation while ensuring secure attachment. This solution provides dependable mobility, making it a practical choice for professionals who demand consistent and efficient handling of heavy loads.

## Features

- Constructed with nylon wheel core and housing
- Steel plain bearings offer smooth rotational movement
- Side brake ensures secure stopping control
- Threaded stem fitting guarantees robust installation
- Black and silver finish for a professional appearance
- Suitable for outdoor use in varied environments
- Nylon wheel material resists wear and tear
- Robust design supports load requirements up to 50kg

**Product Code: F15W75G50**

## Specifications

Outdoor Use	Yes
Indoor Use	No
Bearing Type	Plain Bearing
Brake Type	Side
Fitting Type	Threaded Stem

## Appearance

Product Colour	Black/Silver
----------------	--------------

## Construction

Wheel Core Material	Nylon
Wheel Material	Nylon
Housing Material	Nylon
Bearing Material	Steel

## Dimensions

Product Length mm	68
Product Width mm	46
Product Height mm	82
Wheel Diameter	50
Tread Width mm	40
Finish Height mm	63
Bolt Thread Length (mm)	19
Bolt Thread Width (mm)	7.9
Mounting Size (G) mm	M8
