

## Description

Fischer Spare Parts Tray with Removable Dividers offers an effective solution for organising and storing replacement components in workshop and service facilities. Manufactured in grey Cals Carb PP with integrated hardware, this tray provides a defined layout for spare parts, utilising removable dividers to adjust spaces as required. It supports efficiency for trade professionals by ensuring reliable access and an orderly arrangement of critical components.

## Features

- Built with Cals Carb PP for resilient spare parts organisation
- FISCHER quality spare parts trays with removable dividers
- Designed for indoor storage and efficient part tracking
- Includes hardware for secure assembly and customisation
- Compact design maximises workspace organisation and accessibility
- Grey finish aids in distinguishing spare parts sections
- Tailored for professionals needing practical spare parts management
- Engineered for precise part arrangement and reliable functionality

**Product Code: F1H-002**
