

Fischer Clear Compartment Boxes (5 Compartment)

Description

Fischer Clear Compartment Boxes (5 Compartment) are designed to organise and store various components effectively in a work environment. Constructed from durable co-polymer, this clear compartment box offers a secure method to sort tools and small parts, ensuring ease and accessibility for trade professionals. The inclusion of hardware facilitates straightforward installation and consistent performance during routine operations. Their clear finish allows for quick visual identification while ensuring a practical presentation.

Features

- Clear co-polymer construction ensures robust durability
- Five distinct compartments enable organised storage
- Integrated hardware guarantees secure assembly
- Designed for indoor use with reliable performance
- Transparent material facilitates quick visual inspections
- Precisely engineered compartments improve storage efficiency
- Simple assembly process enhances user convenience
- Manufactured by Fischer with high technical precision

Product Code: F1H-030

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Clear
Construction	
Product Material 1	Co-Polymer

Dimensions

Product Height (mm)	32
Product Width (mm)	118
Product Length (mm)	188

Weights

Product Weight (kg)	0.106
Product Weight (grams)	106
Volume Capacity (L)	0.57
