

Fischer Clear Compartment Boxes (10 Compartment)

Description

Fischer Clear Compartment Boxes (10 Compartment) are designed to provide a clear, co-polymer solution for organising small components and parts. The product features integrated hardware for secure assembly and is crafted for indoor environments, ensuring a consistent storage system that appeals to trade professionals. Its transparent design facilitates quick visual identification and access to stored items, which supports effective work practices and improves operational efficiency in a professional setting.

Features

- Clear design for quick identification of contents
- Constructed from durable co-polymer material
- Ten compartments provide versatile storage options
- Included hardware simplifies immediate installation
- Designed for indoor applications with robust build
- Precision engineering meets practical functionality requirements
- Uncomplicated design facilitates efficient workspace organisation
- Engineered for stability and reliable performance

Product Code: F1H-033

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Clear
Construction	
Product Material 1	Co-Polymer

Dimensions

Product Height (mm)	32
Product Width (mm)	118
Product Length (mm)	188

Weights

Product Weight (kg)	0.108
Product Weight (grams)	108
Volume Capacity (L)	0.57
