

# Fischer Clear Compartment Boxes (14 Compartment)

## Description

Fischer Clear Compartment Boxes (14 Compartment) features 14 distinct compartments designed for organised storage of tools and components. Constructed with co-polymer, it offers durable construction with integrated hardware for enhanced functionality. Designed for indoor use, it provides clear visual access to each compartment, facilitating efficient operations for industrial and trade professionals. The product supports systematic workflows, ensuring that components remain easily accessible and well-arranged throughout daily tasks.

## Features

- Constructed from durable co-polymer for robust performance
- Transparent design enables quick visual verification of compartments
- Features 14 compartments for organised storage of items
- Includes hardware for secure compartment closure
- Indoor design suited to controlled environments
- Co-polymer material offers chemical resistance and impact protection
- Simple clear finish facilitates accurate content visibility
- Fischer trusted brand ensures reliable quality and performance

**Product Code: F1H-039**
