

Fischer Visi Pak (Large) 208x167x235mm

Description

Fischer Visi Pak (Large) 208x167x235mm is a clear compartment box constructed from GP Styrene, designed for organising components efficiently. It includes hardware and optimised compartmentalisation for precise item sorting, making it a practical solution for professional workspaces. Trade and industry professionals benefit from its robust design and functional layout, which promotes efficient storage and easy accessibility while ensuring that components remain clearly visible.

Features

- Clear compartment design with robust GP Styrene construction
- Integrated hardware for secure mounting and stable performance
- Designed primarily for indoor utilisation and trade usage
- Ample dimensions of 208x167x235mm for varied storage tasks
- Clear finish enables quick visual identification of stored items
- Robust design ensures reliable performance during frequent access
- Engineered for practical and efficient compartment organisation
- Built by Fischer for trusted compartment solution in demanding tasks

Product Code: F1H-042
