

Description

Fischer Stor Pak Labels - 24 Piece is a collection of clear, stackable storage bins designed by FISCHER using durable cardboard, complete with integrated hardware for secure assembly. These bins facilitate the systematic organisation of components, tools and documentation, proving particularly useful for trade professionals managing daily operations. The clear finish aids quick visual identification, promoting an optimised workflow and precise storage control in a busy work environment.

Features

- Stackable design for customisable storage arrangements
- Clear bins offer visibility of stored items
- Durable cardboard construction ensures reliable performance
- Includes hardware for easy stacking and stable alignment
- Lightweight design facilitates simple transport and repositioning
- Clear finish permits quick identification of contents
- Robust construction supports efficient workspace organisation
- Designed for ease of use and practical storage solutions
