

BULK 240 DIVIDERS BLACK

F1H-057 FISCHER BULK 240 DIVIDERS BLACK

This product comprises bulk dividers designed to organise and separate items within 240 bin storage systems. Developed as an accessory for stackable storage bins, it provides a reliable solution for setting up efficient and customisable storage. Australian made, these dividers offer durability and precision for DIY projects where accurate separation is essential. Ideal for both retail and online buyers who appreciate technical specifications and practical applications.

Key Features:

- Manufactured in Australia to meet high-quality DIY standards.
- Specially designed to suit 240 bin storage system configurations.
- Constructed in a sleek black finish for a professional appearance.
- Facilitates efficient organisation and customisable storage solutions.
