

Description

Fischer Blue 0.5L Stor Pak is a range of stackable storage bins constructed from polypropylene and finished in blue. The bins are designed for efficient internal organisation of parts and tools, enabling trade professionals to streamline workspace arrangements. Each unit includes integrated hardware to ensure secure stacking and reliable durability, promoting an orderly environment and facilitating time-saving access to frequently used materials during daily operations.

Features

- Stackable design ensures efficient storage and organised contents
- Durable polypropylene construction withstands frequent use
- Compact blue bins deliver clear visual identification
- Integrated hardware assists stable stacking assembly
- Indoor focussed design achieves reliable storage organisation
- Versatile configuration supports diverse tool and material access
- Efficient interlocking system facilitates easy transport
- Reusable design offers cost effective sustainable storage

Product Code: F1H-060BL

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Blue
Construction	
Product Material 1	Polypropylene

Dimensions

Product Height (mm)	60
Product Width (mm)	115
Product Length (mm)	100

Weights

Product Weight (kg)	0.052
Product Weight (grams)	52
Volume Capacity (L)	0.55
