

## Description

Fischer Clear 0.5L Stor Pak is a stackable storage bin constructed from polypropylene and designed for organised internal storage. It offers clear visibility of contents and is equipped with integrated hardware for secure stacking. Its straightforward design provides a practical solution for workspaces, allowing professionals to efficiently organise and access small items with ease. This product delivers technical reliability and a user-friendly approach for effective workspace management.

## Features

- Constructed from robust polypropylene for enduring performance
- Clear orientation allows swift visual inventory identification
- Modular stackable design enhances space-efficient storage
- Includes hardware for secure assembly and positioning
- Versatile clear colour suits organised workspace environments
- Designed for simple stacking and efficient reorganisation
- Durable material withstands repeated use and handling
- Compact 0.5L capacity supports efficient small-item storage

## Dimensions

Product Height (mm)	60
Product Width (mm)	115
Product Length (mm)	100

## Weights

Product Weight (kg)	0.052
Product Weight (grams)	52
Volume Capacity (L)	0.55

**Product Code: F1H-060C**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes

## Appearance

Product Colour	Clear
----------------	-------

## Construction

Product Material 1	Polypropylene
