

Description

Fischer Green 0.5L Stor Pak is a stackable storage bin system manufactured from polypropylene in a distinctive green hue. Designed for indoor use, it incorporates hardware to ensure ease in assembly and secure stacking. Its practical design supports efficient organisation for handling small parts and tools, making it beneficial for industrial and trade professionals seeking reliable storage solutions for systematic arrangement and effective inventory control.

Features

- Durable polypropylene construction for extended storage use
- Stackable design saves valuable workspace
- Integrated hardware ensures secure and easy assembly
- Indoor storage optimised for organisation and efficiency
- Green finish enhances visual appeal and identification
- Robust design withstands regular handling and movement
- Compact dimensions assist in maximising storage capacity
- Easy stack assembly streamlines sorting and accessibility

Product Code: F1H-060G

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Green
Construction	
Product Material 1	Polypropylene

Dimensions

Product Height (mm)	60
Product Width (mm)	115
Product Length (mm)	100

Weights

Product Weight (kg)	0.052
Product Weight (grams)	52
Volume Capacity (L)	0.55
