

Description

Fischer Yellow 0.5L Stor Pak is a set of stackable storage bins crafted from polypropylene. Designed for efficient stacking, these bins provide secure storage for small parts and tools in indoor settings. They are engineered to maintain durability and reliable performance, offering value to industrial and trade professionals through space optimisation and effective organisation. Each unit includes hardware, ensuring a practical storage solution that supports detailed operational needs.

Features

- Stackable design enhances efficient space utilisation
- Robust polypropylene construction ensures long-lasting performance
- Vibrant yellow finish provides clear visibility
- Includes hardware for straightforward assembly
- Optimised design accommodates organised indoor storage
- Modular bins allow flexible stacking configurations
- Streamlined construction meets practical storage needs
- FISCHER quality ensures reliable and safe storage

Product Code: F1H-060Y

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Yellow
Construction	
Product Material 1	Polypropylene

Dimensions

Product Height (mm)	60
Product Width (mm)	115
Product Length (mm)	100

Weights

Product Weight (kg)	0.052
Product Weight (grams)	52
Volume Capacity (L)	0.55
