

Description

Fischer Clear 1L Stor Pak is a clear stackable storage bin made from polypropylene and includes integrated hardware for secure assembly. It is designed for effective organisation and storage of components, optimising space utilisation in workshop or trade settings. The robust construction and easy-to-clean surface support daily operational needs, providing a practical solution for professionals managing diverse small items and supplies.

Features

- Durable polypropylene construction supports daily storage demands
- Clear design allows quick visual content identification
- Stacked design maximises storage space utilisation
- Robust hardware enhances assembly and stability
- Easily accessible compartments expedite inventory checks
- Transparent bins support efficient monitoring of stored items
- Designed for indoor use to simplify stock management
- Tested assembly hardware provided for reliable container setups

Product Code: F1H-061C

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Clear
Construction	
Product Material 1	Polypropylene

Dimensions

Product Height (mm)	85
Product Width (mm)	170
Product Length (mm)	100

Weights

Product Weight (kg)	0.104
Product Weight (grams)	104
Volume Capacity (L)	1.16
