

Description

Fischer Green 1L Stor Pak is a durable green stackable storage bin constructed from polypropylene for efficient, organised indoor storage of tools and components. It features integrated hardware for secure stacking and ease of access, providing a practical solution for trade professionals seeking effective space management. Its modular design and robust construction simplify the maintenance of orderly workspaces while enabling smooth integration into existing storage systems.

Features

- Robust polypropylene construction ensures long lasting performance
- Stackable design maximises space in confined work areas
- Durable hardware contributes to secure assembly
- Indoor storage solution supports organised tool management
- Bright green colour improves visibility in storage areas
- Stackable bins offer efficient, modular storage configuration
- Easy assembly facilitates quick implementation in workspaces
- Compact design ensures easy stacking and transport

Product Code: F1H-061G

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Green
Construction	
Product Material 1	Polypropylene

Dimensions

Product Height (mm)	85
Product Width (mm)	170
Product Length (mm)	100

Weights

Product Weight (kg)	0.104
Product Weight (grams)	104
Volume Capacity (L)	1.16
