

Description

Fischer Red 1L Stor Pak offers stackable storage bins constructed from polypropylene. Designed for effective organisation, these bins deliver practical solutions for professionals managing work spaces. The robust design ensures secure stacking with integrated hardware for ease of assembly. Suitable for a wide range of trade applications, this product provides a reliable option for those seeking precise, space-saving storage within indoor environments.

Features

- Robust polypropylene construction provides durable, efficient storage performance
- Clear red colour enhances visibility and organisation
- Stackable design saves space while improving accessibility
- Precise moulding enables secure and stable stacking
- Hardware components simplify assembly and ensure secure fit
- Versatile storage solution supports efficient workspace management
- Easy to integrate into established organisation systems
- Fischer quality manufacturing guarantees reliable functionality and longevity

Product Code: F1H-061R

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Red
Construction	
Product Material 1	Polypropylene

Dimensions

Product Height (mm)	85
Product Width (mm)	170
Product Length (mm)	100

Weights

Product Weight (kg)	0.104
Product Weight (grams)	104
Volume Capacity (L)	1.16
