

Description

Fischer Yellow 1L Stor Pak is a set of stackable storage bins constructed from polypropylene and designed to facilitate efficient organisation in trade settings. The bins provide a practical solution for storing components and supplies, offering durability and ease of accessibility. Each unit includes hardware for secure assembly, ensuring a reliable and customisable storage setup that meets the needs of professionals in managing their workspaces efficiently.

Features

- Constructed from durable polypropylene for long use
- Bright yellow design enhances visibility in busy workspaces
- Stackable design provides efficient storage and easy organisation
- Integrated hardware ensures secure stacking and stability
- Intended for indoor storage in controlled settings
- Modular design allows flexible arrangement for storage needs
- Compact form factor facilitates maximised workspace utilisation
- Engineered for reliable performance and robust usage

Product Code: F1H-061Y
