

**Product Code: F1H-062BL**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
<b>Appearance</b>	
Product Colour	Blue
<b>Construction</b>	
Product Material 1	Polypropylene

## Description

Fischer Blue 2.5L Stor Pak provides a practical storage solution designed for efficient organisation and ease of identification. Its stackable design and robust polypropylene construction deliver reliable performance for trade professionals within indoor settings. The bins incorporate integrated hardware, ensuring stability during use when arranging tools or components. The blue finish aids in colour-coding and overall visibility, supporting streamlined workspace management and improved operational flow.

## Features

- Durable polypropylene construction ensures long-lasting storage capability
- Stackable design maximises space usage and organisation
- Distinct blue colour for easy visual identification
- Robust hardware included reinforces secure assembly
- Compact dimensions suit confined indoor storage requirements
- 2.5L capacity accommodates a variety of small items
- Secure construction maintains stability under routine use
- Easy assembly with interlocking design speeds up setup

## Dimensions

Product Height (mm)	125
Product Width (mm)	220
Product Length (mm)	133

## Weights

Product Weight (kg)	0.212
Product Weight (grams)	212
Volume Capacity (L)	2.93
