

Description

Fischer Clear 2.5L Stor Pak is a stackable storage bin constructed from durable polypropylene in a clear finish. It provides efficient, secure indoor organisation with hardware included for reliable stacking and ease of access to stored items. Designed for practical use, the storage bin offers a straightforward solution for trade professionals who require clear visibility and consistent stacking performance in their workspace.

Features

- Clear polypropylene for easy visual content identification
- Stackable design maximises space and storage organisation
- Strong construction withstands frequent handling and use
- Hardware included ensures secure interlocking stacking
- FISCHER brand indicates trusted performance and reliability
- Lightweight design simplifies transport and repositioning
- Robust polypropylene offers durability in demanding work settings
- Hygienic material supports easy cleaning and maintenance

Product Code: F1H-062C

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Clear
Construction	
Product Material 1	Polypropylene

Dimensions

Product Height (mm)	125
Product Width (mm)	220
Product Length (mm)	133

Weights

Product Weight (kg)	0.212
Product Weight (grams)	212
Volume Capacity (L)	2.93
