

Description

Fischer Blue 2.5L Medical Mesh Pak provides stackable storage bins made from robust blue polypropylene with hardware included. These bins are designed for efficient organisation and secure storage of tools and materials in indoor settings. The practical design allows for easy stacking and retrieval, adding value to industrial and trade professionals by streamlining work processes and optimising space usage. The reliable construction supports consistent performance during regular use.

Features

- Stackable design saves space and enhances organisation
- Constructed of durable polypropylene for robust performance
- Blue finish provides consistent appearance in all settings
- Reliable stacking system enhances modular storage configurations
- Hardware components ensure secure assembly for stability
- Efficient design suits busy workshop storage
- Practical capacity supports organised tool and equipment management
- Mesh design offers quick content visualisation

Product Code: F1H-062MPBL

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Blue
Construction	
Product Material 1	Polypropylene

Dimensions

Product Height (mm)	125
Product Width (mm)	220
Product Length (mm)	133

Weights

Product Weight (kg)	0.17
Product Weight (grams)	170
Volume Capacity (L)	2.93
