

## Description

Fischer Yellow 2.5L Stor Pak is a stackable storage bin constructed from polypropylene and designed for the efficient organisation of small components and supplies. Its yellow finish supports quick identification, while the included hardware facilitates secure assembly and reliable stacking. Trade professionals benefit from its practical design that optimises workspace layouts and supports systematic storage solutions for everyday operations.

## Features

- Durable polypropylene construction withstands regular handling
- Bright yellow design enhances visibility in busy work areas
- Stackable design optimises available storage space
- Integrated hardware ensures robust connectivity between bins
- Easy access facilitates quick reorganisation of contents
- Consistent finish meets varied indoor storage needs
- Engineered structure supports reliable assembly and reconfiguration
- FISCHER design guarantees precision engineered stackable storage bins

**Product Code: F1H-062Y**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
<b>Appearance</b>	
Product Colour	Yellow
<b>Construction</b>	
Product Material 1	Polypropylene

## Dimensions

Product Height (mm)	125
Product Width (mm)	220
Product Length (mm)	133

## Weights

Product Weight (kg)	0.212
Product Weight (grams)	212
Volume Capacity (L)	2.93
