

Description

Fischer Blue 6L Stor Pak is a stackable storage bin crafted from polypropylene designed for efficient organisation of components and materials in professional settings. It features integrated hardware that facilitates secure stacking and straightforward assembly. The blue colour enhances visual clarity in workspaces. The robust construction supports orderly workflows and maximises space usage, providing a practical storage solution that meets the demands of trade professionals.

Features

- Robust, stackable design for efficient indoor storage
- High-quality polypropylene ensures long-lasting performance indoors
- Integrated hardware provides secure stacking without additional effort
- Practical blue bins offer clear visual identification options
- Compact design maximises space and promotes neat organisation
- Smooth integration with existing cabinetry enhances workflow
- Stackable structure simplifies stacking and retrieval operations
- Engineered by FISCHER for modular storage efficiency

Product Code: F1H-063BL

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Blue
Construction	
Product Material 1	Polypropylene

Dimensions

Product Height (mm)	165
Product Width (mm)	275
Product Length (mm)	200

Weights

Product Weight (kg)	0.414
Product Weight (grams)	414
Volume Capacity (L)	7.26
