

Description

Fischer Clear 6L Stor Pak is a clear polypropylene stackable storage bin designed for efficient organisation in professional settings. Its robust construction and included hardware facilitate secure stacking and easy retrieval of parts and materials. The design optimises workspace management by supporting systematic sorting and straightforward categorisation for trade professionals, ensuring that daily tasks are handled with precision and clarity.

Features

- Transparent polypropylene construction aids simple content identification
- Stackable design optimises space utilisation in storage systems
- Robust build ensures long-lasting performance and reliability
- Integrated hardware simplifies assembly and robust stackability
- Clear design improves visual organisation and quick content checks
- Lightweight construction supports easy handling and movement
- Designed for indoor storage with efficient stacking configuration
- Precision engineering meets demanding organisational and logistical requirements

Product Code: F1H-063C

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Clear
Construction	
Product Material 1	Polypropylene

Dimensions

Product Height (mm)	165
Product Width (mm)	275
Product Length (mm)	200

Weights

Product Weight (kg)	0.414
Product Weight (grams)	414
Volume Capacity (L)	7.26
