

Description

Fischer Blue 6L Medical Mesh Pak is a stackable storage system designed for efficient organisation and easy access to essential items. Constructed from durable polypropylene, the blue bins provide precise space management for industrial and trade professionals. They incorporate hardware for reliable assembly and secure connectivity, facilitating seamless integration in workspaces. The design enables effective storage of tools and small components in clearly defined compartments for practical workplace use.

Features

- High-strength polypropylene construction for reliable indoor storage
- Designed for efficient stacking to conserve floor space
- Integrated hardware allows secure assembly and alignment
- Crisp blue finish facilitates quick visual identification
- Compact 6-litre capacity for organised small parts storage
- Stackable design ensures efficient use of vertical space
- Lightweight build simplifies manual handling and repositioning
- Engineered for straightforward organisation in storage systems

Product Code: F1H-063MPBL

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Blue
Construction	
Product Material 1	Polypropylene

Dimensions

Product Height (mm)	165
Product Width (mm)	275
Product Length (mm)	200

Weights

Product Weight (kg)	0.397
Product Weight (grams)	397
Volume Capacity (L)	7.26
