

Description

Fischer Orange 6L Stor Pak is a range of stackable storage bins constructed from polypropylene, designed to maintain efficient organisation in work areas and trade settings. They offer straightforward assembly with included hardware, providing secure and visible storage for various components and supplies. The design efficiently utilises space through stackability while ensuring durability and stability for everyday internal storage tasks.

Features

- Durable polypropylene construction designed for daily storage use
- Stackable design provides efficient use of vertical storage space
- Bright orange colour for quick identification in busy areas
- Integrated hardware ensures secure assembly and reliable stacking
- Compact 6L capacity ideal for storing tools and supplies
- Engineered for effective space management in indoor settings
- Simple assembly process supports rapid set-up with included hardware
- Versatile design adapts to varying storage requirements

Product Code: F1H-0630

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Orange
Construction	
Product Material 1	Polypropylene

Dimensions

Product Height (mm)	165
Product Width (mm)	275
Product Length (mm)	200

Weights

Product Weight (kg)	0.414
Product Weight (grams)	414
Volume Capacity (L)	7.26
