

Description

Fischer Red 6L Stor Pak is a stackable storage bin designed for efficient organisation by trade professionals. Its robust polypropylene construction and red finish offer a practical solution for storing components and small parts. The product incorporates integral hardware that facilitates secure stacking and straightforward assembly. The design provides reliable durability while enhancing workspace organisation, supporting daily operational requirements and systematic workflow in professional settings.

Features

- Robust red polypropylene construction offers lasting storage durability
- Stackable design allows for efficient space organisation
- Integrated hardware ensures secure interlocking between bins
- Tailored for indoor use with systematic stacking design
- Colour coded red finish improves visual bin identification
- Precision moulded edges ensure secure stacking integrity
- Each unit features sturdy hardware for stable bin alignment
- Efficient storage solution designed for busy workspaces

Product Code: F1H-063R

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Red
Construction	
Product Material 1	Polypropylene

Dimensions

Product Height (mm)	165
Product Width (mm)	275
Product Length (mm)	200

Weights

Product Weight (kg)	0.414
Product Weight (grams)	414
Volume Capacity (L)	7.26
