

## Description

Fischer Red 12L Stor Pak is a red stackable storage bin crafted from durable polypropylene and includes the necessary hardware for stable assembly. It serves as a practical solution for organising tools and components, offering clear visual identification and efficient stacking. Designed to aid professionals in office and workshop settings, it provides a reliable option for keeping workspaces tidy and components easily accessible.

## Features

- Stackable design for efficient use of storage space
- Strong polypropylene construction for reliable daily handling
- 12L capacity suited for varied organisational needs
- Vibrant red colour enhances bin visibility
- Hardware included for secure and easy assembly
- Robust design supports stable stacking during use
- Simplified assembly permits reliable installation and transport
- Engineered for practical performance in indoor applications

## Dimensions

Product Height (mm)	165
Product Width (mm)	275
Product Length (mm)	410

## Weights

Product Weight (kg)	0.716
Product Weight (grams)	716
Volume Capacity (L)	14.88

**Product Code: F1H-064R**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes

## Appearance

Product Colour	Red
----------------	-----

## Construction

Product Material 1	Polypropylene
