

## Description

Fischer Yellow 12L Stor Pak is a stackable storage bin solution by FISCHER made from durable polypropylene in a bright yellow finish. Designed for indoor use and featuring integrated hardware, these bins offer a practical method for organising tools, components and parts. Trade professionals and engineers value its efficient stacking and straightforward design, which ensures easy access and optimised space management in controlled settings.

## Features

- Durable polypropylene construction for long-lasting indoor storage
- Stackable design maximises space and organisational efficiency
- Bright yellow colour aids in quick visual identification
- 12L capacity caters to varied storage requirements
- Robust hardware ensures secure stacking and safe transport
- Simple design offers easy access and efficient arrangement
- High performance material construction withstands rigorous daily use
- Designed for straightforward cleaning and low maintenance use

## Dimensions

Product Height (mm)	165
Product Width (mm)	275
Product Length (mm)	410

## Weights

Product Weight (kg)	0.716
Product Weight (grams)	716
Volume Capacity (L)	14.88

**Product Code: F1H-064Y**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
