

## Description

Fischer Blue 24L Stor Pak is a stackable storage bin constructed from durable polypropylene in blue. It provides industrial and trade professionals with practical storage for tools, components and supplies in controlled indoor environments. The design optimises space usage through secure stacking and comes complete with hardware for straightforward assembly. Its robust build supports organised workspaces, ensuring essential items remain easily accessible while maintaining order in busy professional settings.

## Features

- Stackable design supports efficient storage organisation
- Durable polypropylene construction withstands everyday handling
- Indoor bin designed for clear item arrangement
- Includes hardware ensuring secure stacking assembly
- Blue colour enhances quick visual identification in storage
- 24-litre capacity offers practical volume for diverse items
- Fischer craftsmanship guarantees reliable everyday usage
- Stackable bins provide adaptable solutions for organised spaces

**Product Code: F1H-065BL**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
<b>Appearance</b>	
Product Colour	Blue
<b>Construction</b>	
Product Material 1	Polypropylene

## Dimensions

Product Height (mm)	210
Product Width (mm)	440
Product Length (mm)	410

## Weights

Product Weight (kg)	1.315
Product Weight (grams)	1,315
Volume Capacity (L)	30.31
