

## Description

Fischer Green 24L Stor Pak is a stackable storage bin constructed from polypropylene in a green finish. It offers reliable indoor storage with integrated hardware that facilitates secure stacking and efficient access to essential items. Designed to support the organisational needs of trade professionals, it streamlines workflow and space management. Its straightforward design and robust construction contribute to effective, practical storage solutions in active workspaces.

## Features

- Durable polypropylene material provides reliable indoor storage
- Stackable design maximises use of available space
- Compact 24-litre capacity fits standard worksite requirements
- Hardware provided for secure stacking and assembly
- Robust green finish enhances visibility and organisation
- Contemporary design supports efficient workspace organisation
- Ergonomic stacking improves accessibility and inventory management
- Multi-functional bins integrate well into organised storage systems

**Product Code: F1H-065G**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
<b>Appearance</b>	
Product Colour	Green
<b>Construction</b>	
Product Material 1	Polypropylene

## Dimensions

Product Height (mm)	210
Product Width (mm)	440
Product Length (mm)	410

## Weights

Product Weight (kg)	1.315
Product Weight (grams)	1,315
Volume Capacity (L)	30.31
