

# Fischer Clear Compartment Boxes (3 Compartment)

## Description

Fischer Clear Compartment Boxes (3 Compartment) is manufactured from durable Co-Polymer and offers three distinct storage sections for efficient organisation. The clear design facilitates rapid visual identification of contents, while the included hardware ensures secure assembly for dependable performance. This product is well suited to trade professionals who require precise separation and easy access to small parts, making it a practical tool for various professional applications.

## Features

- Clear compartment design for reliable visual inspection
- Crafted from high performance Co Polymer material
- Secure hardware integration ensures dependable assembly
- Three compartments provide efficient component organisation
- Designed for indoor use with reliable performance
- Features clear visibility for quick component identification
- Robust construction supports daily maintenance and inspection
- Streamlined design facilitates efficient technical organisation

**Product Code: F1H-090**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
<b>Appearance</b>	
Product Colour	Clear
<b>Construction</b>	
Product Material 1	Co-Polymer

## Dimensions

Product Height (mm)	75
Product Width (mm)	195
Product Length (mm)	300

## Weights

Product Weight (kg)	0.404
Product Weight (grams)	404
Volume Capacity (L)	3.51
