

Fischer Clear Compartment Boxes (1 Compartment)

Description

Fischer Clear Compartment Boxes (1 Compartment) is a clear, co-polymer based storage solution designed for precise organisation. It offers a single, secure compartment that facilitates systematic placement and easy visibility of contents. The inclusion of hardware enhances reliability, while its robust construction supports efficient use in professional settings, providing a practical and durable tool for trade professionals seeking efficient, well-arranged storage.

Features

- Constructed from durable co-polymer for long service life
- Clear design enhances visual identification of stored items
- Single compartment facilitates simple and organised storage
- Hardware included ensures secure and straightforward mounting
- Specifically designed for indoor use in controlled environments
- Precision engineering meets practical function for storage applications
- Manufactured by FISCHER for dependable routine performance
- Transparent design offers instant visual confirmation of contents

Product Code: F1H-092

Specifications

Outdoor Use	No
