

Fischer Clear Compartment Boxes (12 Compartment)

Description

Fischer Clear Compartment Boxes (12 Compartment) is a clear co-polymer compartment box designed for organized storage of small components in indoor settings. It features 12 distinct compartments and includes hardware for secure assembly. The design allows for clear visual identification of contents, aiding work organisation and precision handling. It supports systematic parts management for trade professionals seeking practical and reliable storage solutions.

Features

- Constructed from robust co-polymer for lasting performance
- Clear design enables visual monitoring of internal compartments
- Includes hardware for secure and straightforward installation
- Twelve compartments support organised cable and connector storage
- Designed specifically for reliable indoor electrical applications
- Engineered for precise work environment management
- Simple design offers quick access to internal contents
- FISCHER reliability meets user-focused functionality

Product Code: F1H-093
