

Fischer Clear Compartment Boxes (18 Compartment)

Description

Fischer Clear Compartment Boxes (18 Compartment) offer a practical storage solution for trade professionals. The unit features eighteen separate compartments crafted from durable co-polymer, ensuring organised storage of small components with clear visual access. Each box incorporates reliable hardware for secure mounting and stable placement. Designed for internal use, its clear construction supports efficient identification and streamlined access in work environments demanding precise organisation.

Features

- Transparent clear design supports rapid visual organisation
- Durable co-polymer construction provides lasting structural integrity
- Integrated hardware simplifies secure assembly
- Eighteen compartments allow efficient tool storage
- Visible design enables quick content verification
- Compact construction facilitates streamlined installations
- Precision manufacturing ensures exact compartment dimensions
- Practical build delivers dependable long term performance
