

# Fischer Clear Compartment Boxes (1 Compartment)

## Description

Fischer Clear Compartment Boxes (1 Compartment) is designed to facilitate the efficient organisation of essential tools and components in professional settings.

Constructed from durable co-polymer with a clear finish, it provides secure storage with integrated hardware. This compartment box offers clear visual access to stored items and ensures practical, reliable performance for trade professionals managing multiple components indoors.

## Features

- Constructed from durable co-polymer for optimal indoor storage
- Clear compartment design facilitates easy identification of contents
- Integrated hardware simplifies installation and ensures secure enclosure
- Robust build maintains form and clarity over prolonged use
- Compact design ideal for tool storage and organising materials
- Engineered by Fischer for dependable performance during daily tasks
- Simple design promotes ease of cleaning and routine maintenance
- High-quality clear finish enhances content visibility and reduces distraction

**Product Code: F1H-096**
