

## Description

Fischer ABS Compartment Cases 430x375x90mm is engineered for efficient organisation of components and tools, utilising durable ABS plastic and polycarbonate in a blue/clear finish. The compartment box offers integrated hardware for secure assembly and easy installation. Its precise compartments assist in maintaining orderly systems, providing industrial and trade professionals with a practical solution for component management without unnecessary complexity in controlled environments.

## Features

- Manufactured using tough ABS and polycarbonate for longevity
- Compact dimensions enable efficient storage and easy installation
- Intricate internal compartments support organised equipment management
- Blue and clear panels enhance visibility and identification
- Robust design ensures reliable performance indoors
- Includes hardware for immediate assembly and secure mounting
- Large storage capacity for various tools and components
- Precise dimensions allow straightforward integration into setups

**Product Code: F1H-150BL**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes

## Appearance

Product Colour	Blue/Clear
----------------	------------

## Construction

Product Material 1	ABS Plastic/Polycarbonate
--------------------	---------------------------

## Dimensions

Product Height (mm)	90
Product Width (mm)	375
Product Length (mm)	430

## Weights

Product Weight (kg)	2.028
Product Weight (grams)	2,028
Volume Capacity (L)	11.61
