

Description

Fischer ABS Compartment Cases 430x375x90mm are designed with an integrated compartment system that provides secure organisation of parts and tools. Their red and clear colouring, resulting from robust ABS plastic and polycarbonate construction, offers reliable durability and clarity for identification. The product includes the necessary hardware for efficient assembly, supporting streamlined storage and retrieval in organised workspaces for trade professionals seeking practical and technical advantages in their daily operations.

Features

- Constructed from durable ABS plastic and polycarbonate
- Features a high contrast red and clear design
- Designed strictly for indoor storage and component organisation
- Integrated hardware supports secure case assembly
- Precisely engineered compartments enable organised component placement
- Easy access design simplifies daily routine inspections
- Engineered to maintain structure under operational demands
- FISCHER quality ensures reliable performance and durability

Product Code: F1H-150R
