

## Description

Fischer Black Viro Tub 13L offers a stackable storage bin crafted from durable polypropylene in a sleek black finish. Designed with included hardware for reliable assembly and secure stacking, it provides trade professionals with a practical solution for efficient storage organisation. The product's precise engineering facilitates optimal space usage and ease of handling, making it a valuable asset for systematic storage and logistical applications in demanding work environments.

## Features

- High-impact polypropylene construction for long-lasting strength
- Stackable design optimises use of available storage space
- Robust hardware provided enhances secure stack assembly
- Efficient container size offers practical 13-litre capacity
- Black finish provides neat contemporary appearance in any setting
- Robust construction withstands regular handling in workspace environments
- Simplifies storage organisation with intelligent modular stacking features
- FISCHER design offers precise engineering and enduring durability

**Product Code: F1H-187V**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
<b>Appearance</b>	
Product Colour	Black
<b>Construction</b>	
Product Material 1	Polypropylene

## Dimensions

Product Height (mm)	120
Product Width (mm)	270
Product Length (mm)	380

## Weights

Product Weight (kg)	0.452
Product Weight (grams)	452
Volume Capacity (L)	9.85
