

Description

Fischer Black Viro Tub 22L is a black polypropylene stackable storage bin designed for efficient internal organisation. Crafted by FISCHER, it offers a practical solution for trade professionals managing tools, components and small parts within controlled environments. Its robust construction and included hardware provide reliable stacking and ease of transport, supporting streamlined processes while optimising available space. The design focuses on functionality and precise dimensions to serve technical and operational storage needs effectively.

Features

- Constructed from durable polypropylene material
- Stackable design provides organised storage and easy access
- Tailored for indoor storage and practical workspace requirements
- Sleek black finish lends modern understated appearance
- Hardware provided for secure stable stacking assembly
- Robust construction supports frequent handling and transport
- Fischer brand assures quality design and reliable performance
- Interlocking system streamlines stacking and retrieval operations

Product Code: F1H-188V

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Black
Construction	
Product Material 1	Polypropylene

Dimensions

Product Height (mm)	210
Product Width (mm)	255
Product Length (mm)	360

Weights

Product Weight (kg)	0.686
Product Weight (grams)	686
Volume Capacity (L)	15.42
