

Description

Fischer Red Store Tub 32L Nesting Crate is part of FISCHER's range of storage solutions designed for indoor use. Constructed from durable red polypropylene, it features hardware for secure stacking and efficient nesting. The crate offers a practical option for industrial and trade professionals to maintain an organised workspace and streamline the management of tools and components effectively. Its simple yet robust design ensures smooth integration into daily operational methods.

Features

- Durable polypropylene construction for reliable indoor storage
- Stackable design maximises space efficiency in storage system
- Precise hardware integration ensures secure stacking without complications
- Nested construction saves space when bins are stored together
- Vibrant red colour aids quick visual identification
- Engineered for robust and stable stacking
- Hardware included for straightforward assembly and setup
- Efficient design simplifies inventory and storage management

Product Code: F1H-190R

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Red
Construction	
Product Material 1	Polypropylene

Dimensions

Product Height (mm)	195
Product Width (mm)	415
Product Length (mm)	648

Weights

Product Weight (kg)	1.546
Product Weight (grams)	1,546
Volume Capacity (L)	41.95
