

Description

Fischer Clear Store Tub 52L Nesting Crate is a clear, stackable storage bin crafted from polypropylene. It aids in the organised storage of items by offering transparent visibility and secure stacking with reliable hardware. The crate features a nesting design that optimises space and streamlines daily operations. Its practical build serves the organisational needs of trade professionals, enhancing workflow efficiency through designated storage solutions.

Features

- Stackable design optimises workspace organisation
- Durable polypropylene construction offers lasting strength
- Clear design allows quick visual content identification
- Hardware included for secure nest connectivity
- Indoor use supports controlled environment operations
- Robust interlocking structure maintains unit alignment
- Nesting feature simplifies transport and stacking
- Precision moulding ensures consistent fit and stability

Product Code: F1H-191C

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Clear
Construction	
Product Material 1	Polypropylene

Dimensions

Product Height (mm)	265
Product Width (mm)	415
Product Length (mm)	648

Weights

Product Weight (kg)	1.842
Product Weight (grams)	1,842
Volume Capacity (L)	57.01
