

Description

Fischer Black Store Tub 52L Nesting Crate is a black stackable storage bin made from polypropylene with integrated hardware for secure stacking. It serves to organise tools, small parts and supplies efficiently, providing trade and industrial professionals with a practical solution for managing workspace clutter. Its robust design ensures durability and reliable performance, while the nestable feature simplifies storage and retrieval, contributing to improved operational workflow in indoor settings.

Features

- Designed for efficient stacking and nesting
- Constructed from sturdy polypropylene for long service life
- 52 litre capacity for compact and organised storage
- Inclusive hardware permits secure stacking in simple installation
- Black finish provides a professional and contemporary appearance
- Optimised for indoor storage with practical design and durability
- Enables efficient use of space within any facility
- Engineered with precision to support high density storage

Product Code: F1H-191V
