

## Description

Fischer Blue Store Tub 68L Nesting Crate is a dependable solution for organised storage and efficient part handling. Designed with robust polypropylene, this stackable bin features a clear blue finish and includes hardware for secure stacking. It offers a spacious 68L capacity and is ideally suited for indoor applications where systematic storage is required. Its functional design supports easy handling and space optimisation, making it a valuable asset for trade professionals managing inventory, parts and documentation.

## Features

- Durable polypropylene construction supports repetitive stacking and usage
- Stackable design for efficient vertical storage space
- Blue finish aids quick visual identification
- Hardware included for secure assembly and stability
- Nesting crate design simplifies space-saving when not in use
- Easy stacking for organised storage of tools and materials
- Versatile stackable bin increases organisational efficiency with interlocking design
- Designed for practical workspaces with ease of use

**Product Code: F1H-192BL**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
<b>Appearance</b>
