

Fischer Clear Store Tub 68L (Special Order)

Description

Fischer Clear Store Tub 68L (Special Order) is a set of stackable storage bins designed for clear visibility and efficient storage of goods. Constructed from durable polypropylene, these bins offer reliable inline organisation for industrial and trade professionals, with hardware included for straightforward assembly. Designed for indoor use, their modular design makes them ideal for customised storage solutions while facilitating easy access and management of materials within a variety of work environments.

Features

- Durable polypropylene construction for dependable storage performance
- Clear design allows quick visual content assessment
- Stackable design maximises storage space utilisation
- Included hardware supports secure stacking and assembly
- Provides 68 litre capacity for bulk storage demands
- Special order option permits tailored storage solution procurement
- Transparent material supports efficient content inspection and retrieval
- Designed for practical use with easy maintenance procedures

Product Code: F1H-192C
