

## Description

Fischer Red Store Tub 68L Nesting Crate is a stackable storage bin made from durable polypropylene in a red finish and includes the necessary hardware for secure assembly. It is designed to improve organisation and maximise available space in work areas. Its nesting design allows for efficient storage and retrieval of components, supporting clear workflow and aiding professionals in managing trade and technical tasks effectively.

## Features

- Stackable design reduces storage footprint
- Robust polypropylene construction ensures long lasting durability
- Vibrant red colour enhances visual organisation
- Hardware included for fast hassle free assembly
- Nested stacking permits compact storage and easy retrieval
- Indoor design integrates with built storage systems
- Secure assembly maintains stability during stacking
- Generous 68L capacity accommodates varied storage needs

**Product Code: F1H-192R**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
<b>Appearance</b>	
Product Colour	Red
<b>Construction</b>	
Product Material 1	Polypropylene

## Dimensions

Product Height (mm)	390
Product Width (mm)	415
Product Length (mm)	648

## Weights

Product Weight (kg)	2.552
Product Weight (grams)	2,552
Volume Capacity (L)	83.90
