

Description

Fischer Clear Store Tub Nesting Crate Lid is designed to offer secure, efficient storage with a nestable structure. Manufactured from durable polypropylene, this clear stackable storage bin facilitates quick visual identification of contents. FISCHER utilises integrated hardware for enhanced stability, ensuring straightforward assembly and maintenance. Its interlocking design optimises space organisation and simplifies item management for trade professionals, providing practical value in facility and workspace settings.

Features

- Stackable design maximises storage capacity and workspace organisation
- Clear construction allows contents visibility at a glance
- Robust polypropylene ensures durability in indoor settings
- Includes secure hardware for added stability during stacking
- Nesting crate lid integrates with storage bin profile
- Lightweight polypropylene design simplifies transport and repositioning
- Resistant clear material offers quick visual content assessment
- Stackable bins promote efficient workspace aesthetics and organisation

Product Code: F1H-193C

Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
Appearance	
Product Colour	Clear
Construction	
Product Material 1	Polypropylene

Dimensions

Product Height (mm)	32
Product Width (mm)	425
Product Length (mm)	655

Weights

Product Weight (kg)	0.804
Product Weight (grams)	804
Volume Capacity (L)	7.13
