

## Description

Fischer Red Store Tub Nesting Crate Lid provides a reliable storage solution. Crafted from durable polypropylene, it features a stackable design that enables efficient space utilisation and material organisation. The product is assembled with included hardware, ensuring secure and straightforward installation. It supports effective storage management and contributes to streamlined workflow, offering practical benefits for trade professionals seeking reliable solutions for everyday operational needs.

## Features

- Stackable design for efficient storage organisation
- Made from durable red polypropylene for reliable indoor use
- Robust hardware provided ensures secure and simple assembly
- Compact nesting design saves valuable storage space
- Simplified assembly enhances reliability during daily operations
- Engineered for practical storage solutions
- Durable material withstands frequent handling
- FISCHER reputation for reliable build quality

**Product Code: F1H-193R**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes

## Appearance

Product Colour	Red
----------------	-----

## Construction

Product Material 1	Polypropylene
--------------------	---------------

## Dimensions

Product Height (mm)	32
Product Width (mm)	425
Product Length (mm)	655

## Weights

Product Weight (kg)	0.804
Product Weight (grams)	804
Volume Capacity (L)	7.13
