

## Description

Fischer Black Store Tub Nesting Crate Lid is a stackable storage bin designed for efficient organisation in busy workspaces. Constructed from durable polypropylene, it features an integrated hardware system that provides secure nesting and reliable stacking. The black finish ensures a neat appearance while enhancing visibility in indoor settings. This product supports clear, systematic storage practices that meet the practical needs of trade professionals in a variety of applications.

## Features

- FISCHER stackable bins provide secure storage for parts
- Moulded in durable black polypropylene for longevity
- Designed for efficient nesting and compact stacking
- Hardware included for easy secure assembly
- Engineered for indoor storage to boost workspace organisation
- Robust construction delivers practical, long-lasting performance
- Interlocking design facilitates efficient stacking in storage solutions
- FISCHER quality ensures a reliable solution for storage needs

**Product Code: F1H-193V**

## Specifications

Outdoor Use	No
Indoor Use	Yes
Hardware Included	Yes
<b>Appearance</b>	
Product Colour	Black
<b>Construction</b>	
Product Material 1	Polypropylene

## Dimensions

Product Height (mm)	32
Product Width (mm)	425
Product Length (mm)	655

## Weights

Product Weight (kg)	0.804
Product Weight (grams)	804
Volume Capacity (L)	7.13
