

## Description

Fischer Spare Parts Tray with Removable Dividers is constructed in grey Cals Carb PP with hardware included. It offers practical organisation through adjustable, removable dividers, ensuring precise separation of spare parts for effective inventory management in indoor settings. The tray serves the requirements of trade and industrial professionals by facilitating efficient component tracking and streamlined repair processes, providing a technical solution that enhances workspace layout and maintenance operations.

## Features

- Durable cals carb PP construction ensures long lasting performance
- Removable dividers allow flexible spare parts organisation
- Hardware provided for quick and secure assembly
- Compact grey design for space efficient component storage
- Dividers reposition easily for custom tray configuration
- Cals carb PP material delivers enhanced structural integrity
- Engineered for efficient spare parts storage
- Trusted Fischer quality ensures reliable tray performance

**Product Code: F1H-230**
