

Description

Fischer Spare Parts Tray with Removable Dividers is designed for efficient organisation of spare parts in controlled environments. Manufactured from calcs carb PP and presented in a grey finish, it offers durability and versatility for trade professionals. Its removable dividers enable custom arrangements, while included hardware facilitates straightforward assembly. This tray provides practical value through ease of part access and systematic arrangement for targeted workflow optimisation.

Features

- Durable construction in Cals Carb PP
- Integrates removable dividers for flexible organisation
- Compatible hardware included for secure assembly
- Streamlined design in neutral grey colour
- Ideal for efficient spare parts management
- Simple maintenance through uncluttered design
- Robust build for long lasting performance
- Engineered for practical, organised spare parts storage
