

Description

Fischer Spare Parts Tray with Removable Dividers is designed to organise and secure spare parts with precision in an indoor workspace. Constructed from calcs carb PP material in a practical grey finish, its removable dividers allow for adaptable compartmentalisation. Integrated hardware facilitates straightforward assembly, offering trade professionals an efficient solution to maintain order and streamline component access in their everyday operations.

Features

- Constructed in durable Cals Carb PP for reliable storage
- Removable dividers provide customisable compartment arrangements
- Designed in grey for a professional low profile finish
- Includes hardware for secure and straightforward assembly
- Engineered for precision organisation of spare parts
- Compact design optimises workspace efficiency
- Ideal for maintaining structured and accessible equipment components
- FISCHER quality ensures long lasting performance and reliability

Product Code: F1H-232
